

Minong Flowage Association Membership 2025

*Your
contribution
DOES make a
difference!*

The Minong Flowage Association (MFA) is a non-profit 501(3)C organization whose lake property owners have a common goal to help maintain the quality of our precious water, surrounding shorelines and the lake life we cherish.

As a voice for lake property owners, the MFA provides an avenue for input of ideas and concerns. We work directly with the DNR, county and state regulators to find the most practical and cost-effective means to maintain the health and beauty of the lake.

Unfortunately, in recent years our lake we call home has been challenged with a huge influx of invasive species both in the lake and surrounding shorelines. Eurasian Watermilfoil (EWM) is currently the most problematic non-native, aquatic invasive species in the Minong Flowage.

The costs to manage invasive species is daunting. In years past, we have been fortunate enough to have some financial support through a variety of grants. Our Aquatic Plant Management (APM) plan for 2024 – 2028 is estimated to run nearly \$150,000. Due to sparse funding, we are unlikely to see much of anything for quite a few years. We invite you to read more about this process on our website and Facebook page.

We look to you as property owners, neighbors, friends, and supporting businesses to lend a hand by becoming a new or renewing member or contributing donor of the MFA. Our continued strength is the size of our organization. Membership dues assist in the annual costs of management activities, newsletters, maintaining our website and email systems that isn't covered through grants. It's a team effort.

If you have questions or looking for more information about the 2024-2028 APM, or just want to reach out to the MFA board, you can find much of the information at minongflowage.org. You can also reach out to our President, Harlan Johnson, at johnson2424@yahoo.com or 612-817-4490.

We appreciate your support. Please join us in efforts to keep our lake as clean and beautiful as possible.

Become a member or sponsor today!

Minong Flowage Association

Membership 2025

Anyone can become a member if you are a property owner on or within 1 mile of the Minong Flowage or Cranberry Flowage. One membership per household. Our memberships run from June 1 through May 31. Annual memberships are \$40 or 5 years for \$160. If paid between May 1 and May 31, this will count for the upcoming year (2025-26). Membership fees help offset administrative costs to run our organization.

Membership (check one):

☐ New

☐ Renewal

Amount: _____

Name(s): _____

Lake Address: _____

City/State/Zip: _____

Phone: _____

Email: _____

Note: This helps reduce any postage costs and allows us to send newsletters and other updates efficiently. We do not share email addresses.

If you are not a year-round resident, please provide your primary address:

Primary Address: _____

City/State/Zip: _____

Sponsorship – New!

A sponsor is anyone who would like offer a donation to the MFA, even if you aren't eligible to become member. This is a great way for visitors, business and members to further to support our organization's efforts to keep our lake clean and healthy. Please provide your contact information above.
